

Accessing and Using Fronter

Logging into MySchool

- Open your web browser
- Go to www.c2kschools.net
- Log in to MY-SCHOOL using your C2k Username and Password

Your MY-SCHOOL will be loaded.

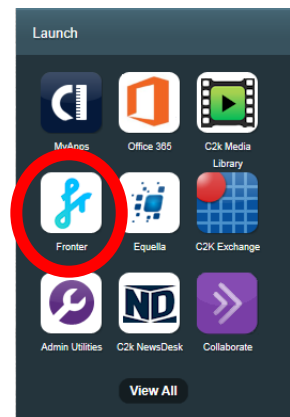

Or if you are accessing it from inside school, your MY-SCHOOL will automatically load when you log into a workstation.

Accessing Fronter

From the Launch panel, Select the “Fronter” icon.

OR

Click **View All** then click on **Online Learning** section on the left hand side and then click **Fronter – Launch App**

You will then be presented with a screen of all the courses you are enrolled in. Click on your Year Groups VLE Day to access all the tasks (e.g. Year 8 VLE Day). When this page opens, you can then view all of the subjects you have been set tasks for. Click each individual subject button to start working on the tasks.

Returning to the Subject List

If you are in a subject room and want to navigate back to the page with a list of all your subjects, simply click the button at the top of the Subject Page that has your Year Group on it (see example below).
