## **HUNTERHOUSE COLLEGE UNIFORM POLICY 2020-21**

### **Aims:**

Our uniform is a fundamental aspect of our College identity and presents many advantages for our College community. Uniform is intended to reinforce a sense of pride, inclusion and belonging in our students, both in school and when representing the College in the wider community. Uniform also ensures that our students present a neat business-like appearance at all times and enables them to be appropriately dressed for school activities.

In order to enable our uniform to be as affordable as possible, we have divided items of uniform into compulsory and optional categories as follows:

### **COMPULSORY UNIFORM**

- Blazer
- **Knee-length** Skirt (may be worn with an optional red or striped belt). Skirts should not be shortened or rolled up

- Tie (blue for Y8-12, red for students in Sixth Form)
- College socks or tights
- PE Shirt
- PE Skort
- Hockey Socks

- Tennis Racquet (a small number may be available to hire for a nominal charge – please speak to PE Dept for more information)

For their own protection, it is strongly recommended that students purchase and wear shin guards and a mouth guard during hockey activities as advised by the Hockey Federation

Longer-length skirts may be available through Warnocks Ltd or McCalls of Lisburn. Hijabs should be plain (not patterned or decorated with beads etc) and a shade of blue or red as close to the College uniform shades of Saxe blue or Hunting pink as possible. Please contact the College if you require any further information.

## UNIFORM FOR TRANSGENDER STUDENTS

Adjustments to uniform for students who identify as transgender will be made as and when necessary as part of a wider support package for individual students, in line with the Pastoral Care Policy, and in consultation with the student, parents/carers, the Senior Manager for the Key Stage and external agencies as appropriate.
